INTRODUCTION

This bulletin shows the population of each State and Territory of Australia as at the Census of 30th June, 1961, classified in single and grouped ages. Corresponding information is also shown for each capital city.

The figures for five-year age groups contained herein are a revision of and supersede the grouped age data appearing in previous bulletins. The single age data are published for the first time.

Similar bulletins containing more detailed information for Birthplace, Nationality and Industry than appeared in previous bulletins will be issued at a later date. A list of 1961 Census publications already issued appears at the end of this bulletin.

In processing the 1961 Census data, ages were allocated prior to tabulation in all instances where this information was not stated.

EXPLANATORY NOTES

METROPOLITAN URBAN DIVISIONS (METROPOLITAN AREAS)

In tables 4, 5 and 6 "Total Metropolitan Urban" shown in the last column is the aggregate of the Metropolitan Urban divisions throughout Australia. Metropolitan Urban divisions include the capital cities of the States and Canberra the capital city of Australia but exclude Darwin the capital city of the Northern Territory. The boundaries of the capital cities are specially determined for Census purposes and, in the case of the States, include the capital city nucleus together with a number of adjacent municipalities and shires.
